

TRIUMPH TREATMENT SERVICES

PATIENT BASIC NEEDS POLICY

Triumph Treatment Services Pregnant and Parenting Women (PPW) campus will provide the basic needs of all women and children while residing in our PPW facilities.

The following is a list of items which will be available throughout each Patient's stay:

- Shampoo, conditioner, body wash
- shaving razor
- deodorant
- body lotion
- feminine hygiene
- toothbrush, toothpaste & floss
- comb & brush
- Q-Tips
- Fingernail clippers
- Baby Wash/Shampoo and Lotion
- laundry detergent
- diapers, wipes & rash cream
- OTC (over-the-counter) medications not covered by insurance: such as acetaminophen, ibuprofen, antacid, cough drops. (each patient and/or child must have an order from a physician for any of the above medications.)
- lice treatment
- formula that is needed beyond what WIC provides

Triumph expects reasonable use of all products and will not be able to address any specific brand requests. If Patient has a preference regarding basic needs that are provided, or has needs that go beyond this list, Patient is free to purchase supplies of basic needs with personal finances.
